SKILLS

Instructional Design	Storytelling
Multimedia Content Creation	Digital Content Creation
Video Editing	UX Research
User-Centred Design	Creative Problem Solving
AI Content Generation	Time Management

EXTRA-CURRICULAR ACTIVITIES

Sept 2023 — Sept 2024

Department of Computing (MSc UXE) Student Representative, Goldsmiths, University of London

In my role as the Course Representative for the UXE program, I actively represented my peers by regularly checking in on their experience and gathering feedback on the course. I acted as a liaison between students and the administration, effectively communicating concerns and suggestions to improve the student experience. Additionally, I attended Student Union meetings, advocating for student needs, and I also served as a representative at events, showcasing the programme to prospective students and sharing insights on the value of the course and university. This experience honed my communication, leadership, and problem-solving skills.

HOBBIES AND INTERESTS

Water sports

Film and television, with an interest in media and storytelling

Travel and global current affairs

LEGO building, demonstrating creative problem-solving and attention to detail
